MIDWEEK GROUPS

Connect Groups

Connect Groups are our midweek small groups and are places to help you connect with God, with Each Other and with the World Around Us. Connect Groups meet weekly in someone's home. We would love every church member to join a Connect Group, and if you'd like to find out more please contact Henry.

Students

We encourage our student members to take a full and active part in the life of the church family by serving on a ministry team, joining a Connect Group (if you're not a first year involved in a University Hall Group), and getting to know people outside the student bubble. However we also realise that there is great value in spending time specifically with other student members and so we have a Student Connect Group which meets roughly once a month for food, fun and discipleship.

Explorers Parent & Toddler Group

Explorers is a group for children aged 0-4 and their parents or carers. It is open to anyone and includes crafts, songs, stories, free play and a snack time. Explorers meets on Tuesday mornings during school terms from 9:30-11:00 am in the Church Hall. To find out more email families@stmaryswollatonpark.co.uk.

Wednesday Fellowship

We have a weekly gathering, at 2:00pm in the Church Hall, for retired people and others who might be free during the day.

Twice a month we have a service, either Songs of Praise (1st Wednesday of the month), where you come along and choose the hymns we sing, or Holy Communion (3rd Wednesday). On the other weeks the format is similar to a Connect Group, with Bible Study, discussion and prayer. All are welcome.

SUNDAYS AT ST. MARY'S

IN THE MORNINGS...

At our 10:30 service, which has our largest congregation and has the broadest range of ages, we try to use the best of old and new: we have a mixture of traditional hymns led by an organ and contemporary worship songs led by a music group. People familiar with traditional Church of England services will recognise the structure and some of the main elements of the service, but it has a contemporary, vibrant and relevant style. We normally share communion on the first Sunday of every month.

IN THE EVENINGS...

Our 6:30 services have an informal and contemporary feel, and focus on praising God, being taught his Word, and praying together. We normally share communion on the 3rd Sunday of every month.

MS – Morning Service
ES – Evening Service
HC – Holy Communion
