St. Mary's Wollaton Park online for kids Sunday 18 October 2020

There's a party coming soon!

You can listen again to today's new song at https://youtu.be/riMn22jTQuM

Your invitation from God

You can download from our website a copy of the "invitation from God" used in the video. Which box will you tick – are you coming to God's party?

Have a party at home

Families at St. Mary's should have received some party supplies in the post so that we can have a little party together on Zoom after church.

If that doesn't work for you, why not have your own little party at home any time? You could prepare some party snacks, write invitations for your family and put on some music to dance around to.

You could talk together about all the brilliant things there will be at God's big party that lasts forever!
