## Palm Sunday 28 March 2021

### Make your own palm branch

Today on Palm Sunday, we remember the story of Jesus coming into Jerusalem on a donkey while a crowd welcomed him with palm branches. You could make your own palm branch to wave while you praise King Jesus!

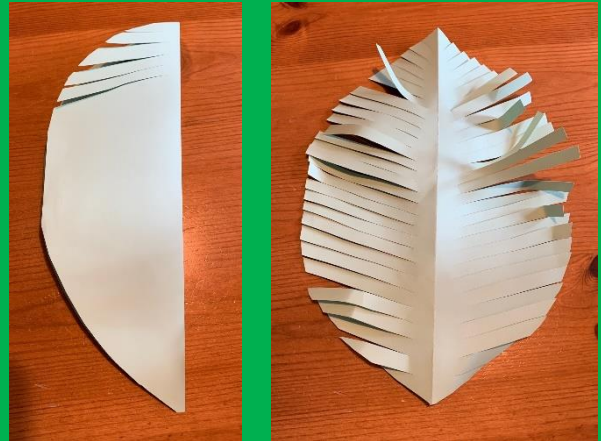

#### You will need:

- A piece of green card
- Scissors

#### What to do:

Fold the card in half lengthways and cut a curved shape so that when unfolded it looks like a big leaf. While the card is still folded in half, make more cuts all the way along to resemble the long, thin leaves of a palm branch.

That's it! If you want you can decorate your palm branch with colours or stickers to show how special Jesus is, or just get ready to wave it and praise King Jesus.

### Praise King Jesus!

The crowd shouted Hosanna – Hooray, God's king has come to save us! You could put on your favourite praise music, dance around, wave your palm branch and shout Hosanna!
